Sonia Lopez says she's blessed. She has a great butt and knows how to use it.

I use it to get my way. Of course my cock-sucking and fucking skills don't hurt either. But it's my butt that commands attention and I love it. When I was younger, I was a bit embarrassed by it. Sometimes the boys would make fun of it, but in college, I think the guys appreciated it and it's been that way ever since. Now it weilds great power and is a force to be reckoned with.

I may be young, but I love kinky sex. I'll do just about anything in any hole of mine. If there's a cock out there and a toy, then I can really get off with my holes filled. Then I'll kick back with a warm totty and get ready to do it again.

As a woman, you have to be confident in your sexuality or you'll get trampled on by other people.

Marie makes three

it was my
wife's idea.
really!

me. She was very proper, in a lawyer sort of way, but she was also rather attractive with a nicely shaped butt beneath her tight skirt. It turns out she was staying at the same hotel as us and invited us to have a drink back there to catch up and kill off the rest of the evening. After a few drinks and a couple hours, the conversation started getting a bit more risqué and Karole broke down and asked Marie if she was gay. Marie admitted she considered herself more 'experimental' than gay back in college, but has been married to a guy for a couple years. She also admitted she enjoyed those days and the touch and feel of a woman's body. In my state of tipsy, I admitted that Karole was curious and she kicked me under the table, but did admit she had thought about it.

Another hour goes by and we get a little friendlier and the discussion turns to lesbianism and I'm excluded from the conversation as the two ladies discuss it deeper. Suddenly Marie looks at her watch and says it's midnight and we all joke that she'll turn into a pumpkin. She laughs and says that if she and

My wife, Karole, and I headed to the wedding in St. Louis and landed in a hotel two nights before the wedding. My sister, Judie, got married last month to a great guy she met at college four years ago, so it was about time. I'm a few years older than my sister, but my wife is a few years younger than her. I like my women younger and with a nice ass. On the drive from Columbus we talked about our wedding and especially the honeymoon we took in Hawaii. For the week we were there, it was the best time we ever had. While marriage has been fun, it just doesn't have the excitement that it once did. Even so, we love each other and hope my sister and her husband will do the same as the years roll by.

Rehearsal dinner the next night went well and the couple was beaming throughout the night. In the bride's party was Marie, a girl my wife knew in college. Marie was a year older but they were in the same studies program. At one time, Karole thought she was gay but Marie graduated and life moved on. As the dinner wound down, Marie came over to our table to say hello to Karole and introduce herself to

Lit only by the bedstand lamps, the warm glow on the two nude writhing bodies in front of me makes it look like a poorly lit porn movie, and that adds to my excitement. Marie swivels her body and the two are now sixty-nining.

Karole are going to do it, they should get going. A silence hits our table and Karole looks at me. "You can watch." she offers timidly, looking for approval. I look at Marie and she mouths "Oh, come on."

We get in the elevator, go to her door and into her room. It smells nice, like her, and her suitcase is still on the bed. She moves it off and excuses herself to freshen up. Minutes later she comes out of the bathroom and my wife goes in. Marie has come out in a bath towel and jokes saying, "I didn't think I'd need lingerie." We laugh and she comes over to my chair and says it will all be fine. Just a special time tonight that we'll have as our secret. She also said I could join them as long as I just did my wife. I said that I'd play it by ear.

Karole steps out of the bathroom naked and her

hot body is silhouetted by the light. She joins Marie who's sitting at the edge of the bed. "You took the only bath towel." she says laughing and breaking the awkwardness. Karole comes over to me and plants a big kiss on my lips and whispers she loves me. "I love you too." I say and she goes back to Marie and stands in front of her. She reaches to Marie's chest and undoes the towel, throwing it on the bed. Marie reaches up to caress my wife's breasts and then they kiss. Lightly at first, then tongues, then it gets even more passionate. Marie steals a glance at me but I'm stoic watching them begin their odyssey.

Karole pushes Marie down on the bed and their pussies flash as they fall. I watch my wife slide herself down Marie's body and open her legs. Marie obliges and Karole buries her head in Marie's pussy. I cannot see what my wife is doing, but her ass is in the air and I see Marie's hand emerge between her legs and begin to rub Karole's pink pussy. I see a couple fingers go in and move around as Karole's hips react to her touch.

Marie then gently pulls Karole up to her and rolls her over. Now it's Marie's shaved pussy and ass up in front of me getting attention and my hand slips into my pants, releasing some of the tension that's building up. I undo my zipper quietly and pull out my cock. Lit only by the bedstand lamps, the warm glow on the two nude writhing bodies in front of me makes it look like a poorly lit porn movie, and that adds to my excitement. Marie swivels her body and the two are now sixty-nining. Black hair hides the action, so I close my eyes and listen to the slurping and moaning. I stroke myself and it's surreal, but I gotta see what they're doing and get closer.

I move over to a corner of the bed, only a few feet from them sexing and now they are in profile view. They sense me there and shift into a scissors position rubbing pussies and rubbing each other's clits. I physically feel Marie's orgasm, her shuddering body shaking the bed. I stay in position watching the two squirm and twitch as now another orgasm courses through Karole's body.

But there's more, one second Marie's on her back

*I pull Karole's head off my
cock and tell her to get back
to Marie and finish her
off. She whispers back only
if I fuck her from behind.
I stand up and drop my
pants and position myself
behind Karole...*

eyes meet and I see her tongue disappear between my wife's butt cheeks. She watches me as she keeps licking and slurping back there.

I sense Karole hesitate in her blow job every time Marie hits a sweet spot. I feel my wife beginning to get off, but we need to be sure that Marie gets off too. I pull Karole's head off my cock and tell her to get back to Marie and finish her off. She whispers back only if I fuck her from behind. I stand up and drop my pants and position myself behind Karole, who's now switched with Marie, who's on her back and my wife's again on her knees with her ass in the air and her face buried in Marie's pussy.

I get behind Karole and put my cock into her. She squeals in pleasure and Marie's eyes meet mine again, encouraging me to fuck her harder. Marie's hips begin to buckle as she ap-

with Karole between her legs and the next it's Karole who is on her back and she is straddling Marie, their full boobies pressing against each other; Karole leans forward her lips crushing Marie's as their tongues start an erotic dance. I can hardly breathe inches away from the action. Karole devours Marie, her hand touching her face before cupping her boobs and travelling down between her legs. They are still kissing, driving themselves to another instant orgasm; not stopping until they were both totally spent.

Then my wife reaches over to my cock with her free hand and begins to rub me. Marie watches and begins to rub Karole's pussy harder. Karole and Marie release their hip tango and Karole gets on her knees and starts to suck me. Marie gets on her knees behind her and begins to lick my wife's backside. Our

approaches her orgasm. Karole steps it up, and I shove it in harder. Suddenly we are all cumming together. What a rush. What a spectacle. We all collapse on the bed with huge smiles on our faces. This will be one for the conversation on the drive home, and many nights thereafter.

The next day, the wedding goes on as scheduled and it was a beautiful ceremony. The reception was held at a banquet hall down the street. There were over two hundred guests and we were probably introduced to them all. The bride looked beautiful and the groom was delighted. The proud parents were buzzing around like happy bees. The food was sublime and the band was mediocre, but none of it mattered because my thoughts were still on the night before. My wife and I decided to leave early – and Marie did too!

I got me an cell phone for my birthday, and right away I started taking nude selfies and making home videos. That progressed to shooting my sex life, and that progressed to putting it up on the web. I was never a techie, but now I think I've turned into a bit of a nerd. But I think I may have gone too far and maybe a little over my head. So now I gotta keep making more movies to post online. Buy I admit, it's a lot of fun!

Brooke Scott and Aiden Starr are going to have lunch in Brooke's kitchen while we watch.

We couldn't wait to get our lips together. Lunch was fine but eating each other's pussies was even better. Even the camera-man thought so. We're just two Southern girls who found each other. We just started working with girls and this is was our first scene together.

I'M HERE NOW SO LET'S GET THE PARTY STARTED

I'm the type that knows what I want sexually and I am not afraid to go after it. All week I work my butt off but when it comes to the weekend, it's my release, emotionally, and sometimes physically. And when I go out, I'm not looking to pick someone up, just party. I go out to socialize, drink, and to dance. Sometimes dancing provocatively gets me attention that I'm not really seeking. But I'll let myself go and see what happens. However, tonight I really felt like I needed a man. A good man. A really good man!

I was at the club's bar waiting to meet my friends. In the huge mirror behind the bar I could see the entire club, as well as myself. Here in Baltimore, it was late summer and the temperature was still relatively warm, so I dressed in a rather skimpy black vest top, which was very tight fitting, a short, tight leather skirt and heels. My vest showed my tanned boobs off to perfection. I hadn't always had great boobs, but I really blossomed at eighteen, and while they weren't large, they were very pert, topped with ultra sensitive nipples. I was known among my friends for having bullet like nipples, and now was no different. I was sans bra and my nipples were poking hard at the material. Sometimes, they were a pain in the ass, but on nights like tonight, they were a definitely a godsend.

Sitting there, I got a text message from my friends saying they were running a little late. So I decided

that I might as well make the most of it, so I ordered another glass of wine from the bartender. 'Fuck it!' I thought to myself. Let me see if I can get some action before my friends arrive. And when they do, they'll have to find their own, because I'm not in the mood to share.

I finished my drink, tipped the bartender and decided to check out the club. I made my way to the dance floor and started to look around for a guy that I'd find attractive and unattached. Within a few minutes I saw a guy that fit the bill. In the dark club, he looked about 22 with a nice shirt, jeans, and nice-looking shoes. Very important. As I made my way towards him, we made eye contact and

I smiled at him. As he approached, we instinctively started to dance as we got closer and closer to each other.

When I dance with a guy, I want to know that inside his pants he's getting gradually harder and harder because of my actions and my fleeting touches. After about fifteen minutes of dancing with him, kissing and touching him on the dance floor, I whispered into

his ear. "I'm going to fuck you, now. In the restroom."

Without giving him the option to answer, I grabbed his hands and started to pull him towards the ladies wash-room. The ladies restrooms were generally not monitored. If there was to be trouble, it would come from the men's room. At first, he was a little worried about going in the ladies room, protesting that people would think he was a pervert, but after I asked him if he wanted to fuck me or not, he complied, holding my hand and slipping into the nearest free stall.

After a few minutes of sliding slowly up and down the length of his cock, I could tell by the increased rate of his breathing and the way his legs were starting to twitch that he was close...

Locking the door behind us, I told him to sit down and get his cock ready for a fucking. He did as I asked and pulled his jeans and boxers down around his ankles. I reached over and grabbed his semi-erect cock and stroked it to full hardness. I bent over and gave it a quick lick and straight-

him. I started to give him my patented blow job and I sensed he knew it. I licked and sucked all around his penis and dug my nails into his butt cheeks as I pulled his hips into me to swallow that entire cock of his. He closed his eyes and leaned back to just feel it.

ened back up to slip out of my thong and stuff it in my bag. I lifted my skirt, gently rubbing my clit for a few seconds so he could see while I continued playing with his cock. Then I decided to get at it. His smile told me he was really enjoying himself in here.

I squatted in front of him, the leather squeaking against my moist skin. I licked my lips as he watched and I totally engulfed his cock in one motion. It disappeared entirely in my mouth, my lips closed around it and then I slowly backed off, eyes looking up at

I then pushed him down on the seat and straddled over him. First, I lifted my skirt and put my wet pussy near his face. He leaned forward as if to lick it but I sat down on his cock. By this time, I was dripping wet, and his cock slipped inside me with relative ease. I could feel his muscles twitch as he felt me tighten myself around him. As I lowered myself onto his lap, I put my hands on his shoulders and looked directly into his eyes. "You like this?" His answer was a long, low moan.

I undid the remaining buttons on

my vest and my boobs bounced out of their constraints. My nipples were hard, and I knew if he sucked them, it would get me closer and closer to the edge. But rather than sucking my nipples, he just grabbed my tits and held them like he was riding a bike. It wasn't quite the same intensity, but it still felt good. After a few minutes of sliding slowly up and down the length of his cock, I could tell by the increased rate of his breathing and the way his legs were starting to twitch that he was close to cumming. I needed to get closer, so I jammed my body down and changed from my previous gentle motion to a harder, grinding forward and backward motion, making sure my clit was pressing hard against his pelvic bone.

But I still wasn't ready to cum, so I stood up and turned around to face the door and I bent over a bit to shove my butt in his face. I wiggled backwards until I felt his lips on my pussy. His hands came around and pulled me deeper into him. I felt his tongue lick my outer lips and push it's way into my sopping wet hole. I reached up to brace myself on the door and bent over more to give him better access to me. His hands moved around to my butt and he squeezed my butt cheeks sending me deeper into pleasure.

I felt his tongue slide up and lick my butthole, but I'm not ready for that with him, so I pulled myself

PAINTED INTO A LUSTY CORNER

I was painting these rich people's indoor stairwell when the lady of the house walks slowly up the stairs past me without looking at me or saying a word and went into her bedroom without any attempt to close the door. She stood in front of the full length mirror and took off her dress. I couldn't help but watch and she must realize I was watching, no? She moved her hands behind her back and unclasped her bra letting it too fall to the floor. Her boobs were beautiful, yes! She ran her hands over them and squeezing them as if admiring how good they looked.

"Do you like them?" she asked suddenly turning towards me. I struggled to find any words and just managed to squeak a 'yes.' Her ass was really sexy too. She walked over to the bed and said, "Come here and lick me." she ordered. I put down my brush and entered the bedroom and saw she had laid back on the bed and spread her legs wide. I moved in between her legs and pushed my tongue into her deliciously wet pussy. She tasted real good. A moment later I could feel all the muscles in her pussy contracting as she came. I licked my lips to taste her cum and then got up, grabbed my brush and went back to work.

forward, reached down between my legs, grabbed his cock and guided it into my pussy as I sat down on him, reverse cowgirl style. With hands on my hips, he pulled me down, too, and the final workout began.

I bounced up and down on his cock, shaking the toilet and stall. He struggled to stay on the seat, but still managed to grab my boobs from behind and pinch my hard nipples. This was now starting to really send me over the edge. And him too, apparently, as I felt him begin to tighten up, I reached under and grabbed his balls and spun them around in my clutch until he came inside me with a muffled scream. Although the feeling of his hot cream spurting inside me felt fantastic, it didn't quite push me over the edge. With his cock still in me, I quickly started to rub my clit while he watched in a daze. Within a few seconds, I felt the wave of an orgasm start to spread throughout my body. A sense of self satisfaction followed.

I finally stood up and grabbed some toilet paper to plug me up and keep his splodge from messing me up. I realized I didn't actually know his name but gave him a quick peck on the cheek, and following a quick clean-up, we opened the stall door and walked out of the restroom. My sense of pleasure was enhanced by the knowing glances and smiles I received from the other ladies in the restroom. Admittedly, we were so unaware of others being in the restroom, but they were all cool. We headed back into the club and settled again at the bar. I felt a small hand on my shoulder. It was my friends finally arriving – an hour too late. But I didn't mind. I had spent the hour the way I wanted. I didn't bother to introduce them and we danced, drank and talked. After a while, I told them I had to use the restroom. I looked over at him. I left first and a few minutes later he followed. Round 2.
